*Thank you for making an appointment at [Theorem Health & Wellness](http://www.theoremhealth.co.uk)*

We would like to take this opportunity to welcome you to our Practice, which has been running in Worcestershire since 2012 and has helped many thousands of patients. We provide Professional Physiotherapy / Acupuncture / Rehabilitation / services and are recommended by many local Health Care Professionals, Doctors and Consultants. Our aim is to improve and help you with your overall health and well being by utilising our many years of experience and a range of safe and tested therapies. We also offer safe & effective wellness therapies as appropriate. Please see our online reviews / feedback on Google, twitter, Instagram and Facebook which all show how much we help our patients.

Wheelchair access and assistance is available and there is a free car parking available. Please allow plenty of time to arrive for your appointment otherwise it may not take place in full, but you will still be charged. We look forward to meeting & helping you and will always strive to do our very best for you. However, if you are unable to make the appointment shown, please give at least 24hrs notice, otherwise fees for missed appointments and short-notice cancellations will be charged.

Your first appointment includes initial clinic registration (we are fully GDPR compliant), new patient assessment(s), and consultation/treatment fees (see box on right). Therefore our initial charges (not including surcharges or advanced treatments)

A complete list of our fees is displayed at clinic and obtainable on our website on [www.theoremhealth.co.uk](http://www.theoremhealth.co.uk).

We are registered with most major health insurers, but please do check your cover as the onus is on you to pay any invoices. Do not assume that they will pay all of our fees on your behalf. Note that our surcharges aren't covered by medical insurers.
